

Hire Charges

The hire of our Garden Marquee is very competitive, and we believe you will not find a better deal elsewhere!

Depending on the size of your party, the cost usually works out at around £3.50 per head. We can calculate a quote for you as soon as you provide details of numbers expected for your party.

Smaller gatherings can be accommodated in our Conservatory, which is free of charge Monday to Thursday. There is a small fee at weekends and other busy times.

Optional Extras

Make your occasion truly unique at The Stags Head. Why not consider hiring a Bouncy Castle to keep the kids amused? Or how about a DJ or band to make the party go with a swing! We can organise as much or as little as you like, to make your event a memorable one. We also offer special drinks packages, we can arrange a welcome drink for your guests, or how about a glass of punch as a toast...we can tailor it to suit your needs.

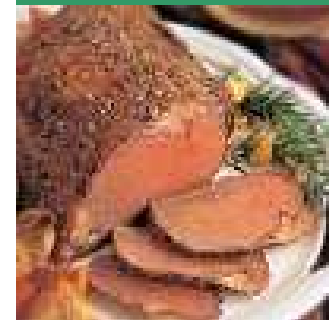

How to book

Once you have an idea of when your party is likely to take place and a rough estimate of numbers of guests, simply telephone or fill out the enquiry form on our website, and we will contact you to discuss your needs and give a price to suit your budget. Easy as that!
